

1-800-248-0280
 831 Morley Drive
 Saginaw, MI 48601

DETAIL E6056

- Note 1: All Coping Cap joints must utilize a 4-inch Splice Cleat.
- Note 2: All joints are to be sealed with an approved sealant.
- Note 3: Splice Cleats are installed 24-inches on center using four approved fasteners.
- Note 4: Edges pre-notched for an overlapped joint.
- Note 5: Coping wider than 16-inches requires additional top fasteners. See installation Detail 6056.
