

Description:

The 2-Piece Snap-On Spill-Out Scupper is designed to be used in conjunction with any sized 2-Piece Snap-On Compression edge detail.

- Consists of 18" long vinyl-coated base, two outside membrane corners, and a 24" metal cover and spill-out with skirt.

Installation:

1. Install in accordance with EXCEPTIONAL® Metals Detail #3570.
2. Any deviation from the requirements set forth in detail drawings must be pre-approved, in writing, by the EXCEPTIONAL Metals Technical Department.

Warranty:

EXCEPTIONAL Metals offers a finish and substrate warranty. Contact the membrane manufacturer for any additional warranty that may be offered.

Technical Services:

Product samples, detail sheets, color chips, and color chart are available for your submittal package. For assistance with questions or submittals, contact your local representative or call EXCEPTIONAL Metals.
